NORTH COUNTRY SCENIC BYWAYS

"Spend a day on the byways in northern New Hampshire."

Nearly all of the state highways in northern New Hampshire are designated as scenic byways. These routes guide travelers through the scenic and cultural landscapes of the White Mountains and Great North Woods regions.

Along the way you will find soaring peaks, rushing rivers, historic Main Streets, vast forested & working landscapes, and many opportunities to get outdoors.

THE REGION'S BYWAYS

- 1 Connecticut River National Scenic Byway
- New Hampshire Scenic Byways
  - 2 Moose Path Trail Scenic Byway
  - 3 Woodlands Heritage Trail Scenic Byway
  - 4 Presidential Range Trail Scenic Byway
  - 5 River Heritage Trail Scenic Byway
- 6 White Mountains Trail National Scenic Byway
- Proposed Future Byway (not officially designated)

LOCATIONS OF INTEREST

- Town Center (typically has food, gas, etc.)
- Roadside Scenery / Point of Interest
- Major Mountain Peak
- Downhill Ski Area
- USFWS National Wildlife Refuge
- White Mountain National Forest
- State of NH Public Lands
- Services Corridor*

*These areas are a little more developed than your typical byway segment, but often have services that are useful to travelers (food, gas, etc).
